TOPIC: Imperative Measures in Strengthening Corporate Governance in Takaful

ABOUT THE CONVENTION:

The Third International Convention on Takaful and Retakaful provide insights on the latest developments and opportunities for driving takaful into mainstream Islamic finance. In addition, Malaysia's strategic direction, step-by-step action plans and widespread promotion of the industry's best practices will be showcased and analysed so as to assist other jurisdictions in preparing to facilitate takaful into their shores.

These unique sessions will provide the participants with the advice and experience of successful takaful and retakaful practitioners in:

- Understanding and addressing Shariah and regulatory issues
- Learning the process of developing takaful products and services
- Networking with key decision makers in takaful and conventional insurance
- Examining new opportunities available for regional & international investors
- Interacting with high profile experts participating in the Expert Panel Discussions
- Shaping the current dialogue between takaful & conventional insurance
- The importance of good corporate governance practices in Takaful and Retakaful
